NAURU

April/May 2012
Dear Praying Friends,

We praise the Lord as he continues to build His church on the island of Nauru.

We had our first baby dedication in April for Meah, the daughter of Bro Junior and Lisa who I mentioned in the last letter, and are pictured below with Joe and Sena. We had a great Easter season at church with a Good Friday BBQ, and Sunday services. We preached about "Don't be Dumb about the Resurrection". Jamie, the niece of one of our church members, started visiting in April with her infant son. She has a testimony of salvation and seems to be enjoying the services. Please pray for her continued spiritual growth. The last Sunday in April we had a 5th Sunday Fellowship dinner after the morning service and an afternoon service that Bro Junior preached.

May saw the arrival of Bro Leo and Cathy Paine to Nauru, as they "Stand in the Gap" to enable us to take our first furlough. We enjoyed getting to know them and filling them in on the peculiarities of life on Nauru. Our last Sunday on the island for a while was Mothers Day. I preached in the morning from Ruth Ch1, and all the ladies went out to lunch together, then Bro Leo preached the evening service. We flew out excited to see family and friends but we will miss our church family and life on our island. We are confident that our people will enjoy the ministry of the Paine's, and that the Paine's will enjoy their time on Nauru.

My Nan, Doris McGeorge had her 90th Birthday party in Sydney that we were able to be part of. It was great to see all the family who had not all been together for many years. Christie and the boys met family that they had not seen before. We were able to teach, preach and present the work in Nauru to the Sherwood Hills Baptist Church in Campbelltown, Sydney, Pastor Don Stuart. The services went well, and the music was exceptional. We left Australia on 28th of May and I write this letter from New Castle, Indiana. We're all still getting back to normal, but we are thankful for safe travels and are amazed at the great distances covered in such a short time, compared to early missionary travels.

We look forward to reporting in person over the next several months. My Cell number is 765-591-2990.
Some Prayer Requests to remember…

We are excited about what we can accomplish together,
