February 2017 / March 2017

Dear Praying Friends,

We thank you again for your prayers and support that enable us to serve the Lord on Nauru. We have had a few more eventful months to share with you the highlights and lowlights of :)

March Highs

Friday March 3rd we had 24 at Teen Time, which was a lot of fun.

Sunday March 5th we had 43 at church Sunday morning with 8 visitors, 5 of which were a family that visited from up the road.

Sunday March 26th we had "Life Saver Sunday" and invited the lifeguards of Nauru to visit the church. A couple of lifeguards came and shared a little about swimming safety during the service and then also in Sunday school. The church gave gifts to all the life guards who serve Nauru and I preached about Jesus the Life Saver and the need of Christians to be involved in Life saving Ministry. It was a good special day even though we had rain Sunday morning (which is never a good thing here for church attendance) and had to postpone the special day two weeks due to our Dengue Issues.

March Lows

During the middle part of March 3 of the 5 of us had Dengue fever. We all felt low, but our temperatures were Very High :(Dengue is a mosquito born tropical virus, that in severe cases can cause bleeding and be fatal. We have had a few fatalities in infants and the aged from this latest go around of Dengue on Nauru.

I had it first and started running a fever on a Saturday, which hung around for 5 days on and off, and then another 5 days with no energy and no appetite. We had to cancel services two Sundays in a row. We were very grateful to all those who prayed for us and let us know they were via Facebook and email, it was very encouraging. The "Dengue Diet" did prove helpful for losing 10lbs in 2 weeks, but I don't recommend it.

Prayer Requests to Remember...

1. The Registration of the Church with the Government of Nauru
2. The work in Nauru to grow, have visitors and receive land.

We are glad to be home and excited about what we can accomplish together in Nauru,

Bro Adam, Christie, Elijah, Titus and Gideon McGeorge "On the Equator for Jesus"
