 Dear Praying Friends,

Prov. 20:6 asks the question "but a faithful man who can find?" This has been a question that has bounced around in my head more than a few times over these past months, which have been some of the hardest for us on the field. Christie and I have both had times of sickness though these months also which have not helped. Those who had been coming and seeming to grow in faithfulness have dropped off and those who use to be faithful are not any more.

Please continue to pray for Dillon and Bernice. They were living together and we had an opportunity to talk with them about this situation and putting the Lord first in all things, and the visits went well, but we have not seen either of them back at church since. We trust the Lord will continue to work in their lives. Please pray for Simpson and Nina and their 2 kids. They have been more miss that hit lately. Without Bro Simpson playing the guitar we are back to acapella hymn singing, and I'm without a visitation partner. There have also been small victories that have come our way.

Joseph is a man who has been faithfully coming for years and had questions about Salvation and Baptism at different times. After going through some discipleship lessons, and getting his salvation nailed down he is ready to be Baptized this next Sunday which is a great blessing and been a few years in the making. Elizabeth has recently finished the ABC's of Christian Growth, and we are glad for her faithfulness in "finishing her course".

We also had a recent opportunity to counsel with one of our couples about some family issues and how to biblically deal with anger. It has been a blessing to see them apply what they learned and grow because of it. We also had Matthew visit for Bible Study, he is an Aussie working up at the Refugee Processing Center on Nauru. He is back in Australia for 6 weeks, but we hope he will visit again on his next rotation on Nauru. We also received in June a 1994 Diesel Toyota Hiace Van that we ordered from Japan last December. It has been a blessing to pick people up on Sunday nights and Thursday nights instead of the Land Cruiser, which is having front CV joint issues.

We are looking forward to our Missions Conference in August with Bro W.L. Smith.

Prayer Requests to Remember...

1. The Work in Nauru to grow, visitors, and receive land
2. The opportunity to reach the Refugees resettled on Nauru
3. The asylum seekers to be able to attend services again.

We are excited about what we can accomplish together,
