Dear Praying Friends,

Is. 28:10 For precept must be upon precept, precept upon precept; line upon line, line upon line; here a little, and there a little:

Sometimes it seems that spiritual growth in our own lives and the lives of others is hard to see, and progress is not always evident. We trust that God is working, but don't always see evidence that He is. Other times spiritual growth is very evident. We are thankful to report on some growth in faithfulness among those in our ministry in Nauru

Sereana (on the left) and Mafa (in the middle) recently completed their ABC's of Christian Maturity with Christie. It took them about a year to finish, but they enjoyed the study and were faithful to complete the lessons together.

We have also seen growth in faithfulness to Church services from Frank and Mida and their two boys, Bruce and Danny. Mida is expecting their 3rd child any day now, which will also be a blessing.

We are busy getting things ready for the arrival of the Paine's, and our next prayer letter will be written from the US of A! We are all looking forward to the trip, especially the boys, but we will miss our Island life and ministry at the same time. We are thankful for the Ministry of Leo and Cathy Paine, standing in the gap for us this 3rd time, it certainly makes leaving much easier when the work is in good hands!

We also had an election and change of government on Nauru in August. We hope that the new president and government will be more favourable to registration of new churches.

Some Prayer Requests to Remember...

1. The Registration of the Church with the Government of Nauru.
2. The work in Nauru to grow, have visitors and receive land.

Thank you once again for your prayers and support that enable us to continue to serve the Lord, and represent you in Nauru.
