McGeorge Prayer Letter October / November 2021
Dear praying friends,

Thank you for your prayers and support of the ministry here in Nauru, we are excited to share the news about how the Lord is working on our behalf through your prayers!

Praise the Lord, We have found a house to live in! Well at this stage it's more like 1/2 or 3/4 of a house to live in:) The house has 4 walls and 1/2 a roof, and we are working with the landowner and builder to get the rest of the house done by the time we need to move out. They have most of the roof on now and have started on the bathroom addition. The new house is smaller than our current house so we are working at getting rid of "much stuff" we have accumulated in 13yrs on Nauru.

We are finalising the details of a 20 year lease, with the possibility of building a church building on the land. It's not land the church can own, as it has multiple landowners, but it does give us a long term place to live and a secure meeting place for the church several years into the future while we are renting the house.

Please pray with us about the house getting finished in time, and we are still looking for a new place for the church to meet for the foreseeable near future

Another answer to prayer to share is that Titus and Gideon have both received their Australian citizenship certificates. We can now apply for their Australian passports, which will make travel a little bit easier.

Some Prayer Requests to Remember...

1. The new house to be finished in time
2. A new place for the church to meet
3. The work in Nauru have visitors and grow numerically and spiritually

Thank you once again for your prayers and support that enable us to continue to serve the Lord and represent you in Nauru.
