McGeorge Prayer Letter April / May 2022

Dear praying friends,

Praise the Lord we have a new church van! It seems like forever ago that we asked and started raising money for a new van, and it's finally here!

We are enjoying living in our new part of the island we are less than a kilometre from Anibare Boat harbour which the boys love and are turning into fish!

Work still continues on the house, making it our home. We were able to purchase any locally made water tank meaning we have 14,000liters (3,700gal) of storage capacity now which is much better than the 4000lt (1000gal) we had with only one small tank.

Church services continue at the community hall on Sunday, and at our house on Thursday for Bible study. James, who I mentioned in our last letter is faithful to come which is a blessing. Please continue to pray for him.

Unfortunately we have not heard anything from our old landlord. Please continue to pray for the Lord to change her heart.

We were excited to have a good crowd for Easter Sunday we had 42! We also had 11 kids at youth night in May. They had a good time walking to the boat harbour and swimming and walking back, cooking hotdogs and playing corn hole and football toss. They unanimously decided they liked the location of our new house. Several kids were unable to come as they were training for Constitution Day (a sports carnival competition between the districts), so we're expecting a larger group next month.

Some Prayer Requests to Remember...

1. The work in Nauru have visitors and grow numerically and spiritually
2. Resolution with our old landlord, Edina.
3. Return of the family who left during the move.
4. Clearing more land for a church facility at our new house.

Thank your again for your prayers and support of our family and the work on Nauru, we could not do it without you, and we are thankful for you.
