McGeorge Prayer Letter February/March 2023

Dear Praying friends,

Warm greetings from the island of Nauru. Things have been a bit slow the last few months, but the Lord has been at work and faithful as always.

Report on 2022

We had an annual business meeting in February, our attendance numbers have been down a little since the move from our old house to the community hall, but for the year we averaged 28 on Sunday and 8 Thursday and 14 at youth night. We had 3 saved and 3 Baptised, and 17 visitors for the year.

Land Progress

We are glad to report there has been some progress made in more land being cleared. We've had two inspections on the site we want cleared and we are waiting on the quote to be completed. When the quote is completed we will pay it and land clearing should begin. Please continue to pray for this need.

New faces at Bible Study

We've been having up to 11 people around the dinner table for Bible study lately which gets "cozy" at times but is a great problem to have. It's great to have some of our young people interested in Bible Study, learning the memory verse and being faithful. Please pray for each one that attends. We have several who are faithful, but have never accepted Christ as their Saviour.

Family life

We took some new family photos recently, the boys have all grown like weeds! If you need an updated one a few options will be available on our website www.mcgeorgemissions.info

Some Prayer Requests to Remember...

1. The work in Nauru have visitors and grow numerically and spiritually
2. Return of the family who left during the move.
3. Clearing more land for a church facility at our new house.

Thank your again for your prayers and support of our family and the work on Nauru, we could not do it without you, and we are thankful for you.
