McGeorge Prayer Letter June/July 2023

Dear Praying friends,

We have had some exciting times on our little island recently. Thank you for your prayers and support that enable us to represent you on Nauru.

Nauru is "the bomb"

We recently had a unexploded 500lb bomb discovered, ironically near the location of the old WW2 memorial that was moved due to the new Port of Nauru construction. It was dropped during the U.S. bombing raids of WW2 and didn't go off. With help from the UXO (Unexploded Ordnance) team, from the Australian Defence Force, the bomb was carefully excavated around, diffused, moved and then carefully detonated in the middle of the island. The whole ordeal took a little over two weeks with 150m, 400m and 2km exclusion zones being applied around the bomb for safety. Our home and church location were not effected by the closures, but many people were out of homes and work, schools and roads were closed it was a big deal on our little island.

Quick Trip

Christie and Gideon took a quick trip back to the US in June, so that Gideon could be the ring bearer in the wedding of our oldest nephew, who was the ring bearer in our wedding nearly 20 years ago. They had a great time in the US with family and friends and Elijah, Titus and I barely survived while they were gone. After many hours on FaceTime we were glad to have the family together again:)

Furlough 2024

We had planned to announce an upcoming furlough in 2024, but the family we had organised to fill in for us while on furlough is no longer able to do so. Would you pray with us that the Lord would put us in touch with the right furlough relief. If you know of anyone who may be available to fill in for us please let us know via email.
