McGeorge Prayer Letter December 2023/January 2024
Dear Praying friends,

Happy New Year to you from Nauru! We appreciate your prayers and support that enable us to represent you on the island we call home. We'd like to say a special thanks to those who sent special Christmas offerings to our family, they were much appreciated.

The Island Buzz with Independence and MPIP

It was the 56th anniversary of Independence in Nauru on 31st January 2024, and at the same time the island is hosting the Miss Pacific Island Pageant so the island has been a hive of activity, clearing, cleaning, painting and decorating. It has been a very long time since the island looked this good. There are lots of visitors at the moment with contestants and their entourages from 7 pacific island nations and dignitaries from several foreign governments.

Sadly More Waiting...

Since last letter we have had a change in Government on Nauru and in the reshuffle the people we had been working with at NRC (Nauru Rehabilitation Corporation) are no longer there, so we are waiting on the new CEO of NRC to get the job done on the quote that we have paid for. Please pray the excavator will come do the work soon.

I sought for a man...

Ezekiel 22:30 "And I sought for a man among them, that should make up the hedge, and stand in the gap before me for the land, that I should not destroy it: but I found none." We are still seeking for someone who would be able to come to Nauru and fill in for us so that we may take a furlough in 2024. Please continue to pray for this need and let us know if you know of anyone who might be able to help.

Some Prayer Requests to Remember...

1. The work in Nauru to have visitors and grow numerically and spiritually
2. Nauru Rehab to return with the excavator and dig and level more land for the foundation.
3. Finding furlough relief for our 2024 furlough
