McGeorge Prayer Letter February/March 2024

Dear Praying friends,

We are thankful for your prayers for us and the needs mentioned in past letters, we are excited to let you know that He hears and answers your prayers on our behalf! Praise the Lord!

The Excavators have come and gone!

Mid March the Rehab excavator came back and finished the land work needed in order to begin construction of the foundation. We also hired a smaller excavator to clear and level the site and dig trenches for footings for 9mx12m (about 30ft by 40ft) foundation. We have most things up at the site now ready to go and hope that things will progress with the work once we have a water tank on site that doesn't leak ;) so far we are 0 from 2

Furlough Progress

We have been in touch with Gary and Karen Craft who are willing to fill in for us so that we can take a furlough November 2024-March 2025. We are hoping to find another couple willing to fill in after the Crafts to extend the furlough a bit longer, but we will see how that progresses. A longer furlough would mean we could visit more churches and report on the work here in Nauru. Please continue to pray about this need and contact if you know of anyone who could fill this need.

Sending our firstborn home

Elijah finished high school November of 2023. He turned 18 in March, and he got his drivers licence on Nauru. He will be headed back to Indiana in May, attend his last youth camp, then get a job and begin adulting. Please pray for his safety and for us as we adjust to this change.

Some Prayer Requests to Remember...

1. The work in Nauru to have visitors and grow numerically and spiritually
2. Foundation work to progress
3. Finding more furlough relief for our 2024/2025 furlough
