McGeorge Prayer Letter April/May 2024
Dear Praying friends,

We are thankful for your prayers for us and the work here in Nauru. Please allow me to update you on things here, there and in the air!

Here - How firm a Foundation!

The work on the 9mx12m (about 30ft by 40ft) foundation is moving right along. The church bought a new water tank which has thankfully solved our water issues and the footings have gone up, the foundation has been backfilled, and compacted and they have poured about 2/3 of the slab with the last section being poured today as I write this letter.

We did have a hiccup with the dimensions and found out our tent is 10m wide, not 9m as we thought. So once the 9mx12m slab is done we will work on some columns to attach to the foundation that the tent can bolt to, which may work out to be better for tent drainage anyway.

There - Furlough Finality

With Gary and Karen Craft filling in for us later this year we are looking forward to being in the US November 2024-March 2025. Due to our short time off the field we will only be visiting churches in Indiana, Ohio, Maryland, New York and Florida. If you'd like to email us at adam@mcgeorgemissions.info we will let you know when we will be in your area, and look forward to reporting back in person.

In the Air - Elijah US bound

Elijah left Nauru the last Sunday in May, with more than a few tears on our behalf. He spent some time with my family in Australia and is in the air on his flight to the US as I write this letter. I've decided I'm not a fan of putting my kids on planes, but knowing we will see him in a few months makes it a little bit easier. The house is definitely quieter with only 4 of us in it and will take some getting used to.

Some Prayer Requests to Remember...

1. The work in Nauru to have visitors and grow numerically and spiritually
2. Completion of the Church Foundation
3. Furlough schedule to fill up
