McGeorge Prayer Letter December 2024/January 2025

Dear Praying Friends,

We hope this letter finds you well and enjoying the new year.

"I'll be home for Christmas"

Our family had a lovely Christmas with all the extended family! It's always a special time when we are all together in Indiana and we were thankful for the opportunity to be here for it. During the month of December we visited churches in Ohio and Indiana.

"Go East Young Man"

In the New Year we went out east to report to churches in Maryland and New York. While out East we saw plenty of snow, thankfully none of which effected our travels, the boys had fun playing in it and sledding. Christie and I stayed by the fireplace :) We were able to see a few sights on our travels, driving around Washington DC, stopping by Fort McHenry on our way out of Baltimore, and we spent a few days at Niagara Falls on our way out of New York.

We have enjoyed reporting to our supporting churches of the work in Nauru. They have been interested in the progress of the work and have all treated us better than we deserve. We have been encouraged by their heart for missions and their desire to see the Gospel go to the uttermost parts of the earth, and reach the unreached. Its a blessing to a missionary to find churches that are still on the mission of the Great Commission! We enjoy seeing those who pray for us regularly and those who take a new prayer card and tell us they will be praying for us, we sure need it and appreciate your prayers for us!

News from Nauru

Bro Gary and Karen Craft are doing well in Nauru, we are thankful for them holding down the fort for us.

Hernia Surgery and Hawaiian Recovery

20th January I had an outpatient hernia surgery. Everything went well, recovery was slow with most of that week spent on the couch, then the following week we flew to Hawaii for 10 days of family vacation with my in-laws. We enjoyed our time with family on "island time" getting a little fix that will hold us over till we get back to Nauru early April:)

Newer Vehicle Need

We are raising funds this furlough to replace our 1995 Toyota Landcruiser with a newer Toyota Hilux (a mid sized truck). The cost of the vehicle will be around \$25,000 USD and about \$10,000 in shipping to Nauru. If you wanted to help meet this need for us please do so via the GIBM and designate the funds for "Vehicle Replacement"

Some Prayer Requests to Remember..

1. The work in Nauru to have visitors and grow numerically and spiritually
2. Refrigerated shipping container to buy and covert into a kitchen/bathroom.
3. Safety as we travel on furlough to report to churches.
4. Funds to purchase a newer vehicle.

Thank your again for your prayers and support,
Bro Adam, Christie, Elijah, Titus, and Gideon McGeorge
