McGeorge Prayer Letter April / May 2026

Hello Praying Friends,

We trust this letter will bring you up to date with the work on Nauru and be an encouragement to you as you continue to serve the Lord.

Visitor season

There have been times on Nauru when visitors are few and far between, but at the moment we are thankful to have had several visitors over the last couple of months. We had a great Easter Sunday in April with 46 in attendance, among whom were with 5 visitors who came with regulars.

The last three Sundays in May we have been blessed with visitors. We had 3 nurses visit, two ladies from Ukraine, Natalia and Liubov, and one male nurse Kiran from India. The following week we had 4 local boys come who were cousins of regular attendees. The last week the 3 nurses were back with a female dental nurse Vijju from India. We are thankful for those who came. Please pray with us that the Lord will work in their lives and meet their needs of salvation or a church home.

Newer Vehicle Need Update

We are still raising funds to replace our 1995 Toyota Landcruiser with a newer vehicle. The cost of the a newer vehicle and shipping will be around \$35,000 USD. We are thankful to have received a few more offerings since last letter and are at 74% (24,000 USD) of the total need, Praise the Lord! If you would consider helping to meet the remaining need, please do so via the GIBM and designate the funds for "Vehicle Replacement". We appreciate your help in meeting this need for us!

Furlough in 2027

We are starting to make plans for a furlough next year. We will be in the States from July - December 2027. We will be visiting churches in the central United States (Kansas, Missouri, Nebraska and Oklahoma) if you would like us to report to your church please let us know via email at adam@mcgeorgemissions.info and we will do our best to get you on our schedule.

Some Prayer Requests to Remember...

1. The work in Nauru to have visitors and grow numerically and spiritually
2. Arrival of the Pre-fab Bathroom.
3. Funds to purchase a newer vehicle.
